Anchorage, AK 99519-0288

Dear Mr. Dieckgraeff:

Tariff filing TA179-4 filed September 4, 2009, is rejected. The filing is incomplete because it does not include the supporting information required by 3 AAC 48.275(a)¹ and it does not include the invoices supporting all the expenses claimed,² as required by the Commission in Letter Order No. L0900133, dated May 28, 2009.

Unless the filing is supplemented by September 29, 2009, the Commission will close the Tariff Advice file and return the filing. Should ENSTAR choose to correct all deficiencies in the filing, the 45-day statutory clock will begin when the filing fully complies with the regulations establishing form and content requirements.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA

Robert M. Pickett
Chairman

¹ Nor does the filing seek a waiver of the requirements of 3 AAC 48.275(a).

² We stated in L0900133 that affidavits are not sufficient cost justification for our analysis of this type of filing.
